

Spanish Camps for Kids -- Summer 2018. Incredible Trees, Arboles Increíbles.

Who lives in the trees? Quien vive en los arboles?

Become immersed in the Spanish language and culture as we learn about the animals and insects that live in trees and how trees sustain life on Earth. Hands-on arts and crafts, including building a treehouse with recycled materials. Kids will have fun through music, storytelling and movement. We will have different fun art projects during the week. All levels welcome.

Bring a snack and bottle of water.

Monday through Friday \$180.00 (material fee included)
